The only point for consideration is whether the allce of Rs 30/- for the midwifery class in the Shimoga Hospl. should continue. Seeing that no such allowance is given elsewhere in the State this may be abolished. The S.S. may perhaps be consulted H.O

7) This allowance was sanctioned in 1920 on the recommendation of the Chairman of the Malnad Improvement Committee, Shimoga, for the Lady Medical Officer, being in charge of the Midwifery training class. Six candidates are being trained every year in this Institution out of the Malnad ~~x~~ Improvement Funds.

Although at the inception of this Scheme, there might have been some justification for granting an allowance of the kind, there appears to be no reason to continue it indefinitely, seeing that similar work, and on a very much more extensive scale, forms part of the regular duties of the Lady Medical Officers of the Maternity Hospitals at Bangalore and Mysore.

The allowance may, therefore, be withdrawn.
